# **OSRAM**

# NIGHT BREAKER H7-LED

OSRAM's first street-legal LED replacement lamp

# OSRAM's first street-legal LED replacement lamp 1)

See and be seen more clearly, for more safety on the road, especially at night

Up to 220% more brightness <sup>2)</sup>

Cool White LED-Upgrade with color temperature close to daylight for specific car models

Up to 5 times more lifetime 3)

Environmentally friendly through longer durability and less garage shop visits and reduced energy

#### First NIGHT BREAKER LED

With NIGHT BREAKER H7-LED, OSRAM's first street legal<sup>1)</sup> LED replacement lamp is now on the market.

The plug-and-play solution offers drivers significant advantages: very high cool white color temperature of 6,000 Kelvin with up to 220% more brightness compared to the minimum requirements of ECE R112, up to 5 times longer lifespan compared to halogen lamps and an additional 50% less glare.

OSRAM offers related installation accessories for the LED lamps."
